Hauptseminar
"Cloud Computing"

Vasilios Andrikopoulos, Johannes Wettinger
{andrikopoulos, wettinger}@iaas.uni-stuttgart.de

Institute of Architecture of Application Systems (IAAS)

Universität Stuttgart
Universitätsstr. 38
70569 Stuttgart
Germany
General Remarks

- Main goal: *How to do and present a systematic literature survey on Cloud Computing research topics*

- Your attendance is strictly required for **all appointments**!

- You have to stick to **all deadlines**!

- Please **contact your supervisor** as quickly as possible:
  - E-mail: firstname.lastname@iaas.uni-stuttgart.de

- Visit **course website** for all details and documents:
  - [http://www.iaas.uni-stuttgart.de/lehre/vorlesung/2014_ws/hauptseminar](http://www.iaas.uni-stuttgart.de/lehre/vorlesung/2014_ws/hauptseminar)
Presentations

- All **presentations** will take place on
  - Wednesday, 28.01.2015, 9.00 - 18.00
    in room 0.345
Deadlines

- **2 weeks before** the presentation:
  Submit *slides* (initial version) to your supervisor

- *Optional (to be clarified with your supervisor):*
  **2 weeks before** the presentation:
  Submit *report* (initial version) to your supervisor

- **1 week before** your presentation:
  Submit *finalized slides* to your supervisor

- **2 weeks after** your presentation:
  Submit *finalized report* to your supervisor
Report & Slides

- You have to stick to the **templates** we provide on the **course website** for both the report and the slides you prepare for the presentation.

- Report: 15 - 17 pages
  - In German or English

- Presentation: 35 mins + 10 mins discussion
  - Slides in English
  - Presentation in German or English
Rights & Responsibilities

**You**
- Must identify a topic in the assigned area (in collaboration w/ supervisor)
- Contact supervisor and ask for appointments – as many as necessary
- Provide ample time for preparation (>3 days!)
- Contact organizers as arbiters of dispute with supervisor

**Your supervisor**
- Helps you find a suitable topic and one or more starting articles/papers/...
- Guides you through the literature survey process
- Provides you feedback – but does not do work for you
- Can only help you if you stick to deadlines and you provide him/her with enough time
